

Clare expressed her enthusiasm for the American market. The visit was extremely beneficial for Appleby's and we hope that we supported Neaf's Yard Dairy with their business in America. We were made to feel so welcome and were met with excellent hospitality and customer services everywhere we went in America. The reception to Appleby's Cheshire and Appleby's Double Gloucester was very positive along with the reaction to the other cheeses sold by Neaf's Yard Dairy. It was good to see specialist British food products being enjoyed by the Americans.
